

## **Field Service Technician Wanted**

### ***About Us***

*JETT* Pump & Valve, L.L.C. keeps your fluid handling systems running at peak performance! We design, sell, install, repair, and maintain municipal, industrial, commercial, and residential process technology equipment for the water and wastewater treatment industry. *JETT* Pump & Valve, L.L.C. is conveniently located in the Metro-Detroit area, we service all of Southeast Michigan and beyond! We are open Monday – Friday 7:30am – 4:30pm and offer emergency service as well.

### ***About the Job***

Field Service Technicians install, repair, and help maintain pumps and other process technology equipment for the water and wastewater treatment facilities in municipalities and industrial, commercial, and residential settings. Most of the work done by our Field Service Technicians will be on-site for the customer, however, you may be asked to work within our shop from time to time. Some over-time and emergency service hours may be required in this position.

*JETT* Pump & Valve, L.L.C. will supply all tools needed for jobs. We offer competitive pay as well as paid holidays, paid sick days, and paid vacation time after 90 days.

### ***Ideal Candidate***

*JETT* Pump & Valve, L.L.C. is seeking a jack of many trades! Field Service Technician Candidates must have proficiency or show ability in mechanical repairs, have electrical aptitude, and troubleshooting. The Candidate will be able to read blue prints and writing diagrams, some fabrication and welding experience could be helpful as well. The Candidate need not be certified, however, hands on experience in a relative industry and/ or with complex products, equipment, and controls is necessary. Prior customer service experience is also necessary.

Candidate **MUST** be able to pass a drug/ alcohol screening and background check and have a valid Driver's License. The Candidate must be able to maintain the required level of activity to achieve the assigned goals without supervision and be able to communicate effectively with co-workers, management, and customers.

*JETT* Pump & Valve, L.L.C. is willing to train the right person for this position.

Competitive pay - based on experience - To be discussed at time of interview. 401k MATCH available! Paid holiday and vacation days after 90 days! Yearly bonuses! Most evenings and weekends off!
